# **GUNNING BEGUN** TO GET WILDCAT STOCK BROKERS

District Attorney Investigating 500 Fake Corporations in New York.

PUBLIC LOSES MILLIONS

Two Arrests Made and Men Who Got \$150,000 Are to Be Caged Soon.

A campaign against stock company windlers who have taken several millons of dollars from the public, mainly from persons of small means, has been started by the District Attorney's office through Edward Brogan, Assistant Disporations doing business in New York this afternoon has reached his office and he is investigating complaints as fast as they are re-

The first fruit of this campaign was evident yesterday when two men were arrested and two others indicted or charges of marketing stocks which Mr. Brogan thinks are of doubtful value, and In the next day or two he hopes to have under arrest men who have altogether taken \$150,000 from New Yorkers bitten by the desire to make money quickly,

The sudden accumulation of money by war industries, the lure of anything which appears to be a "war bride" stock, is given by Mr. Brogan as the reason for this sudden burst of wildcatting, People have money to invest in stocks who never had anything before, and as the result of their rise in fortunes have been attracted by any glittering prospectus that has appeared. Oil is in great demand as the result of the war, and oil stocks form a large part of those to which the Assistant District Attorney has had his attention called.
